AFTERNOON TEA RESERVATIONS

MENU SELECTION

We strongly recommend our menu selections and their quantities per person. These have been specially designed for a specific number of people in order to sufficiently cater for yourself and your guests on the day. Should more than the confirmed number of guests arrive on the day without prior arrangement, we reserve the right to charge a R30 'function fee' per person over and above the confirmed number of guests. If this is 'out of your control', you may discuss an alternative arrangement with the manager on duty whereby additional food is ordered from our pastry counter to avoid this fee. We do not recommend this as items are subject to availability and are produced to be on offer for our other customers on the day. Thank you for your understanding.

Saturdays.... we close at 5pm, you are welcome to settle your bill at 5pm and stay until 5:30pm

VENUE HIRE/FUNCTION FEES

We do not charge a Venue Hiring fee.

For tables of 10 people or more, a **R30 per head 'function fee'** is charged for guests who do not order something to eat from our a la carte menu or pastry counter. This only applies to guests who are ordering beverages only. If you have ordered a meal or have selected one of our set menus, this of course does not apply.

FINAL NUMBER OF CONFIRMED GUESTS

Please let us know should your final confirmed number of guests change (even as late as on the morning of your reserved date). This will allow us to plan our seating for the day and to add/remove tables to your reserved section of the restaurant. We reserve unused seats for a significant period of time before a reservation arrives and should some of your guests not arrive, we reserve the right to charge a R30 per head 'function fee' mentioned above to recoup part of the cost of reserving those tables and removing them from service during this time.

If you are more than **20mins late** for a reservation We reserve the right to give your table away

SERVICE CHARGE

We insist on a minimum **10% service charge** – this will be given to the waitron/s serving you and your guests

CAKE-AGE

*We have a fully operational bakery and we would prefer that no other baked goods are brought into our restaurant. Please request our list of 'cakes/pastries to order' price list.

*If you have specially arranged for someone to bake a cake or there if we are unable to accommodate your cake requests, you are most welcome to bring it along. Please do bring it to our attention in advance.

***R10 cake-age fee** per standard slice of cake (subject to our discretion), cupcake, biscuit or baked item brought into our restaurant.

The cake-age fee mentioned above will only be charged if the baked items are **consumed** on the premises of Four and Twenty.

We do not charge cake-age if the cake is for *decoration purposes only* or if the baked item is *packaged for taking home as a gift* and does not form part of the food offerings for the day

PLEASE TAKE NOTE: Cakes brought in and not made by Four and Twenty:

*Any cake boxes required for take-home slices of cake (sliced by yourselves) will be charged for at R5 per small box. You would be welcome to bring along your own cake boxes if you wish.

TABLE DECORATIONS

In general, we will have your reservation area cleared between **30min to 1 hour** before your guests are due to arrive.
